### **NEW FACES ON NATIONAL DEMOLITION ASSOCIATION BOARD**

***Two women demolition professionals are among the seven new members of the National Demolition Association's Board of Directors, sworn in for the 2010-2011 term.***

DOYLESTOWN, PA, APRIL 29, 2010 – The National Demolition Association announces the addition of seven new demolition professionals to its Board of Directors.

Newly named to the Board are Andrea Reveile of A & R Demolition, Del Valle, TX; Heidi Wellen of Gateway Environmental Service Inc., Highland, IL; Bill Moore of Brandenburg Industrial Service Co., Chicago, IL; Christopher Godek of New England Yankee Construction, LLC, Milford, CT; Sam Bacon of Republic Demolition Inc., Smyrna, GA; Jim Martin of Sequoia Construction Development Inc., Martinez, CA; and Greg Gray of NASDI, LLC, Waltham, MA, serving as alternate.

Continuing as the Association's officers are Raymond Passeno, CIH, Bierlein Companies, Midland, MI as president; Don Rachel, Rachel Contracting LLC, St. Michael, MN as vice president; Jeff Kroeker, Kroeker Inc. Demolition & Recycling Contractors, Fresno, CA as secretary; Peter Banks, CEI Boston LLC, Norfolk, MA as treasurer; and Drew Lammers, Cohen Brothers Inc., Springfield, OH as past president. Michael R. Taylor, CAE, serves as executive director.

For more information about joining the National Demolition Association or becoming a member of the Board of Directors, go to [www.demolitionassociation.com](http://www.demolitionassociation.com) or call 800-541-2412.

The National Demolition Association is a non-profit trade organization representing approximately 1,000 U.S. and Canadian companies and many international firms that are involved in the demolition process. Membership includes demolition contractors, general contractors, civil engineering firms, and recycling, landfill, and salvage operations. The association's efforts help members stay abreast of environmental, regulatory and safety matters, keep regulators informed about issues facing the industry, increase public and industry

awareness, and provide members with networking opportunities and information on the latest technical advances in equipment and services.
