NATIONAL DEMOLITION ASSOCIATION ANNOUNCES DETAILS ON 2010 ANNUAL CONVENTION

The National Demolition Association's Annual Convention is the largest exposition of demolition equipment and services in the world, taking place in Las Vegas on March 21-24, 2010.

DOYLESTOWN, PA, AUGUST 27, 2009 – The [National Demolition Association](http://www.demolitionassociation.com)'s 37th Annual Convention – the largest exposition of demolition equipment and services in the world – will be held at The Mirage in Las Vegas, March 20 to 23, 2010.

Each year, the National Demolition Association convention brings together a wide cross section of professionals involved in the demolition process, including those involved in the demolition contracting, general contracting, civil engineering, recycling, and other industries. The convention includes educational programs, entertainment, and networking opportunities for both Association members and other attendees.

Exhibitors interested in more information on the convention should go to www.demolitionassociation.com or call 800-541-2412.

The National Demolition Association is a non-profit trade organization representing more than 1,100 U.S. and Canadian companies and many international firms that are involved in the demolition process. Membership includes demolition contractors, general contractors, civil engineering firms, and recycling, landfill, and salvage operations. The Association's efforts help members stay abreast of environmental, regulatory and safety matters, keep regulators informed about issues facing the industry, increase public and industry awareness, and provide members with networking opportunities and information on the latest technical advances in equipment and services. The website is www.demolitionassociation.com.
