SUCCEED WITH NDA MEMBERSHIP

“Full demolition companies should join NDA to meet your competition and learn what is going on with our ever evolving industry.”

Marc Ferrari, Ferma Corp

“When I started my business, NDA membership was part of my business plan and included in our operating budget. To me this association means the world and I don’t see membership as an option, it’s a must!”

James Milburn, MILBURN, LLC

“Any C&D and scrap recycling company that is looking to understand their customer base, expand their market share, and learn how to collaborate to maximize profits should be heavily involved in the National Demolition Association.”

Andrew DeBaise, Rocky Mountain Recycling

PROFESSIONAL CONNECTIONS

NDA facilitate a collaborative environment, connecting more than 600 firms from across the country to enable business performance and growth.

In-Person Events

Annual Convention & Expo

Make connections with suppliers, business owners, and contractors from across the country. Through dedicated networking times and lively events, you will make key introductions and solidify lasting relationships. In addition, you can meet with exhibitors to test and compare demolition equipment in one location.

Board Meetings

Quarterly board meetings allow you to meet and collaborate on issues and tasks driving NDA. Join one of our numerous committees to plan and develop our yearly initiatives. Board meetings take place throughout the country and are a fun way to connect with other members.

Membership Directory

Available online, NDA's Membership Directory helps you meet members in your area, specialists to partner with, and more. Plus, potential customers use it to find reliable demolition companies and contractors.

SAFETY AND EDUCATION

NDA develops content and resources with you and your business needs in mind.

Safety Resources

NDA helps you enforce best practices before danger develops and ensures you are prepared in case of a catastrophic event. The **Demolition Safety Program** covers demolition safety, hazardous communication, skid steer operations, asbestos and lead safety, and more. Member safety resources include:

- NDA Safety App
- 75+ Demolition Safety Talks
- Demolition Safety Manual
- Live Education Opportunities
- Hazardous Communication Plan
- Demolition Project Engineering Survey

NDA members can conduct safety trainings, access safety manuals, and reference safety resources from the job site via their mobile device!

Education Resources

Foundations of Demolition Series

The Foundations of Demolition Series will culminate in a Certificate of Demolition Management. Each course is offered in-person, giving you the opportunity to learn directly from leading demolition experts. Courses include:

- Foundations of Demolition Estimating
- Foundations of Demolition Project Management
- Foundations of Demolition Risk Management
- Foundations of Demolition Cost Accounting

Annual Convention & Expo

The Annual Convention & Expo is the most comprehensive education convention in the industry. Through in-depth sessions and quick presentations, you will learn from experts in the field and increase your knowledge on topics and issues that are vital to your success.

LEGAL AND REGULATORY ISSUES

NDA is shaping the demolition industry on a national and global scale, advocating on behalf of demolition professionals. The collective voice of the industry ensures that both contractors and workers can thrive and continue to boost the U.S. economy.

National Policy Agenda

NDA's National Policy Agenda shows our industry stance on environmental policy, wage and labor laws, safety regulations, and other important issues. Through the agenda and daily lobbying efforts, NDA is making strides in shaping the way Congress sees the industry and its employees.

Issue Briefs and Letters to Officials

NDA advocates on behalf of its members with their elected lawmakers. Focusing on the latest legislative and regulatory efforts, NDA publishes briefs on how the association feels these efforts — from asbestos to EPA regulations — will impact the demolition profession at the local level. With letters to policymakers across the country, NDA ensures that our members are heard and have a seat at the table.

Coalitions and Partnerships

NDA works with best-in-class organizations to make sure our members have the greatest resources available to them. Through partnerships with government agencies like the Occupational Safety and Health Administration (OSHA), and industry groups such as the Construction & Demolition Recycling Association (CDRA) and National Association of Home Builders (NAHB), we are able to take a more effective stance on national issues and provide access to the best tools and service our members need to expand their businesses and further their success.

INDUSTRY NEWS AND UPDATES

NDA is your source for industry updates, member news, and trends impacting business practices.

Publications

DEMOLITION magazine

Mailed bimonthly and available online, *DEMOLITION* magazine includes member news, the latest policy updates, and topics such as safety and environmental stewardship that can directly impact how you conduct business.

Newsletter

NDA's weekly e-newsletter includes demolition news from across the country, allowing you to stay abreast on what other demolition professionals are experiencing.

Social Media

From industry changes to upcoming events and education offerings, NDA's Facebook, Twitter, and LinkedIn pages keep you connected with our organization and other active members.
