PRIVACY POLICY
NATIONAL DEMOLITION ASSOCIATION

Updated: January 6, 2017

The National Demolition Association (“NDA”) has established the privacy policy below (the “Privacy Policy”) to explain how your personal information will be used in connection with your use of the software application entitled the NDA Safety App (the “Application”).

NDA reserves the right to amend this Privacy Policy at any time. Please check back frequently in order to see changes, and your use of the Application constitutes your acceptance of the Privacy Policy, as it may be changed from time to time.

If you have any questions regarding privacy while using the Application, or have questions about our practices, we can be reached via e-mail at info@demolitionassociation.com.

User Provided Information

The Application obtains the information you provide when you download and register the Application. Registration with us is mandatory in order to be able to use the basic features of the Application.

When you register and use the Application, you provide: (a) your name, email address, age, user name, password and other registration information; (b) transaction-related information, such as when you make purchases, respond to any offers, or download or use applications from us, if applicable; (c) information you provide us when you contact us for help; (d) credit card information for purchase and use of the Application, if applicable, and; (e) information you enter into our system when using the Application, such as contact information and project management information, if applicable.

Automatically Collected Information

The Application may also collect certain information automatically, including, but not limited to: (a) the type of mobile device you use; (b) your mobile devices unique device ID; (c) the IP address of your mobile device; (d) your mobile operating system; (e) the type of mobile Internet browsers you use; and (f) information about the way you use the Application.

This Application may collect precise information about the location of your mobile service.

Use of Personal Data Collected

NDA may use personally identifiable information in a number of ways, such as:

1. To communicate with you about your account, if applicable, or to communicate information about the Application. For example, we may send all new users a registration email, and we will also occasionally send important notices or information.
2. To build higher-quality, more useful services, such as by analyzing usage trends, and by measuring demographics and interests regarding specific areas of the Application.

3. To provide you with customer service.

4. To support the operation of the Application (such as account maintenance and record-keeping, troubleshoot problems, or resolve disputes).

5. We may also use the information you provided us to contact you from time to time to provide you with important information, required notices and marketing promotions.

**Disclosure of Personal Data Collected**

NDA may disclose personally identifiable information about you to third parties as follows:

1. With your consent.

2. As required by law, such as to comply with a subpoena, or similar legal process.

3. When NDA believes in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request.

4. To support the operation of the Application (such as account maintenance and record-keeping, troubleshoot problems, or resolve disputes).

Any personal information you provide to us including and similar to your name, address, telephone number and e-mail address will not be sold or rented to any entities or individuals outside of our organization.

**Third Party Sites**

The Application may contain links to other websites. NDA is not responsible for the privacy policies or the content of these other websites. We encourage users to review the privacy policy statements of those sites.

**User Opt-Out Rights**

You can stop all collection of information by the Application easily by uninstalling the Application. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network. You can also contact us at [NATIONAL DEMOLITION ASSOCIATION’S E-MAIL ADDRESS] to request that we not use
some or all of the user provided data. Please note that some or all of the user provided data may be required in order for the Application to function properly.

Data Retention

We may retain user provided data for as long as you use the Application and for a reasonable time thereafter. We may retain automatically collected information for up to 24 months and thereafter may store it in aggregate. If you’d like us to delete user provided data that you have provided via the Application, please contact us at info@demolitionassociation.com and we will respond in a reasonable time. Please note that some or all of the user provided data may be required in order for the Application to function properly.

Children’s Online Privacy Protection Act (“COPPA”)

NDA does not use the Application to knowingly solicit data from or market to children under the age of 13. If a parent or guardian becomes aware that his or her child has provided us with information without their consent, he or she should contact us at info@demolitionassociation.com. We will delete such information from our files within a reasonable time.

Security

NDA is concerned about safeguarding your information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. Please be aware that, although we endeavor to provide reasonable security for information we process and maintain, no security system can prevent all potential data security breaches.

Changes to this Privacy Policy

This Privacy Policy may be updated from time to time for any reason. You are advised to consult this Privacy Policy regularly for any changes, as continued use of the Application is deemed approval of all changes.

Governing Law and Consent

This Privacy Policy and the privacy practices of NDA will be subject exclusively to the laws of the District of Columbia within the United States of America. NDA makes no representation that this Privacy Policy and such practices comply with the laws of any other state or country. Users of the Application that reside outside the United States do so on their own initiative and are responsible for compliance with local laws, if and to the extent local laws are applicable. If you reside outside of the United States, by using the Application, you consent to the transfer and use of your information outside your country. By using the Application, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us. “Processing,” means using cookies on a computer/hand held device or using or touching information in any way, including, but not limited to, collecting, storing, deleting, using, combining and disclosing information, all of which activities will take place in the United States.
If you reside outside the United States your information will be transferred, processed and stored there under United States privacy standards.
