Keynote Presentation

CHARLIE MORECRAFT: "REMEMBER CHARLIE"

Charlie Morecraft had a relaxed attitude towards safety while working for Exxon Corporation until he was critically injured in an explosion that burned over 45 percent of his body. Charlie Morecraft conveys, in the most penetrating way, the lesson he so painfully learned. Charlie's story will inspire you to handle all aspects of your life with greater awareness and appreciation of safety, whether on the job, at home, or at play.

PANEL DISCUSSIONS

Hear from engineering firms and large power company representatives on upcoming projects, how to bid on their work, and best practices for working with them.
